Advertisement policy

***If you charge, we charge.** We regularly receive requests for free publicity, including items with the words "Press Release" or "News Release" in large print across the top followed by a description promoting products or services of the individual, organization or business which sent the request. If you charge for something, generally you do so to cover your costs, and one of those costs needs to be promotion (i.e. advertising). We want your news. We want your advertising. Let us take care of both for you.

MCAN-Statewide Classified Ads

MCAN is a network of Minnesota newspapers having a combined readership of more than 3 million! The MCAN Network allows you to place your classified ad in publications - including dailies and weeklies - statewide or by geographic zone. The total cost for a statewide MCAN is \$279 per week for the first 25 words, with additional words \$10 each. Zoned MCAN classifieds start at only \$109. You make one call and pay one price. We'll take care of sending your ad across the state. That's all there is to it. Call us for more information or to place your MCAN classified ad.

MDAN-Statewide Display Ads

MDAN is an easy and cost-effective display advertising option to expand your market presence, create brand awareness and increase your profits through Minnesota newspapers. Display ad sizes available are: 2 (col.) X 2", 2 X 4" or 2 X 8". Reach an audience of over 3 million readers by placing your ad in the statewide program, or geographically target your message by choosing a zoning option that fits your needs and budget. You'll receive unparalleled reach and market saturation at the lowest cost-per-thousand of any mass-market advertising vehicle. A statewide MDAN 2 X 2 is \$2,500 per week, a 2 X 4 is \$5,100 per week, a 2 X 8 is \$11,600 per week. Zoned MDAN options start at only \$625. Call us for more information or to place your MDAN display ad.

MINN-Interactive Newspaper Network

MINN is an interactive network of nearly 60 Minnesota newspapers websites. The MINN networks allows you to run a 300x250, 160x600 or 728x90 pixel digital display ad on newspaper websites - including dailies, weeklies, and shoppers - across the state. The total cost for a statewide MINN ad is only \$1,100 per week. As with the MCAN and MDAN networks, you make one call and pay one price. We'll take care of uploading your ad to all of the newspapers websites. It really is as easy as that! Call any participating newspaper, or the Minnesota Newspaper Association, for more information or to place your MINN interactive ad.
